

De Odor Works : Tiny Green Mom

Here is a cost-effective, natural, safe alternative to aluminum-based deodorants! With De Odor Works, you can safely remove unpleasant body odor using just tap water and stainless steel, rather than covering up and masking groin, foot or overall body odor. De Odor Works, simply put, WORKS! This unique, ingenious device stops body, groin or foot odor right at the source, using absolutely no aluminum or harsh, toxic chemicals.

How does it work? De Odor Works neutralizes body odor by combining stainless steel and ordinary tap water, which in turn gets rid of the volatile sulfur compounds (VSC) that are the cause of the offensive odors. To learn more about the dangers of using commercial deodorants and anti-perspirants, click [here](#).

De Odor Works costs an affordable \$19.95 and is eco-friendly, as it never needs to be replaced! For the best results, it is recommended that you use De Odor Works daily as part of your normal showering routine.
